

BUSINESS MANAGEMENT (BM)

USER GUIDE

1. Access to the site

To reach the Business Management (BM) login page, login to the Dealer Extranet, click on Buying/Electronic Ordering Menu, and click the Business Management (BM) link—you will reach this page:

Enter your customer code (new SAP Dealer ID) and password and click on the *Log in* button.

If you have lost or forgotten your password, you may request a new one from your Sales Administrator.

2. General

2.1. *Use of icons*

Navigation on BM should be done using the following icons:

To leave a screen:

To go back to the previous screen:

To confirm your choice and go forward:

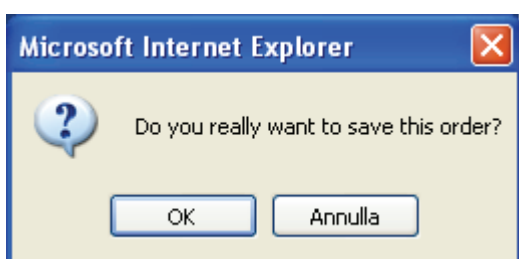

Note: if you use the icons on your application bar, e.g. *Back* and *Refresh*, you may lose connection with the site and many have to log back in.

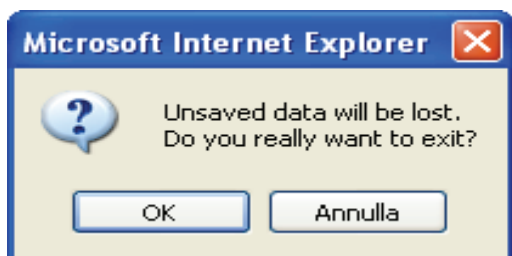

2.2. *Messages communication/errors*

While navigating it is possible that you will try to perform operations not allowed by the system, e.g. saving an incomplete document. The system will inform you thru a pop-up (window) what the mistake is or what the action is and how to act in accordance.

For example, this **pop up** indicates that the order will be saved and sent to Piaggio Group when you click on *OK*.

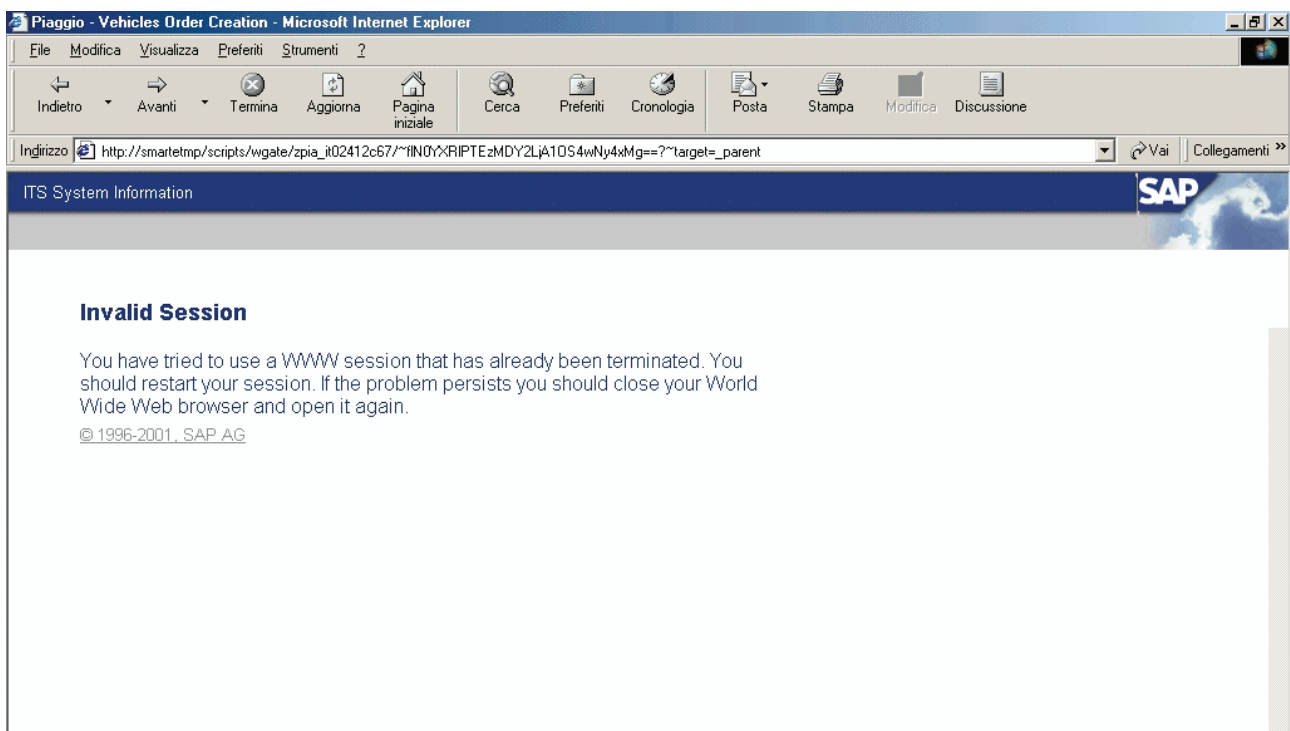

This **pop up** indicates that it is possible to lose all inserted data if you press **OK**. It means you are leaving the session with out saving data inserted. If you press on **Cancel (Annulla)**, it will bring you back to your previous screen where you can continue entering your data.

2.3. Time

When you click on an icon the system opens a dialog with the Piaggio Group Information System and supplies a response in real time. However, if there are line connection (telephone, LAN, or other) issues or if there are many dealers connected to the system at the same time, response time may be a bit slower. In this case **do not click on several icons** at the same time—this will only lead to the possibility of losing your inserted data or a possible lost connection.

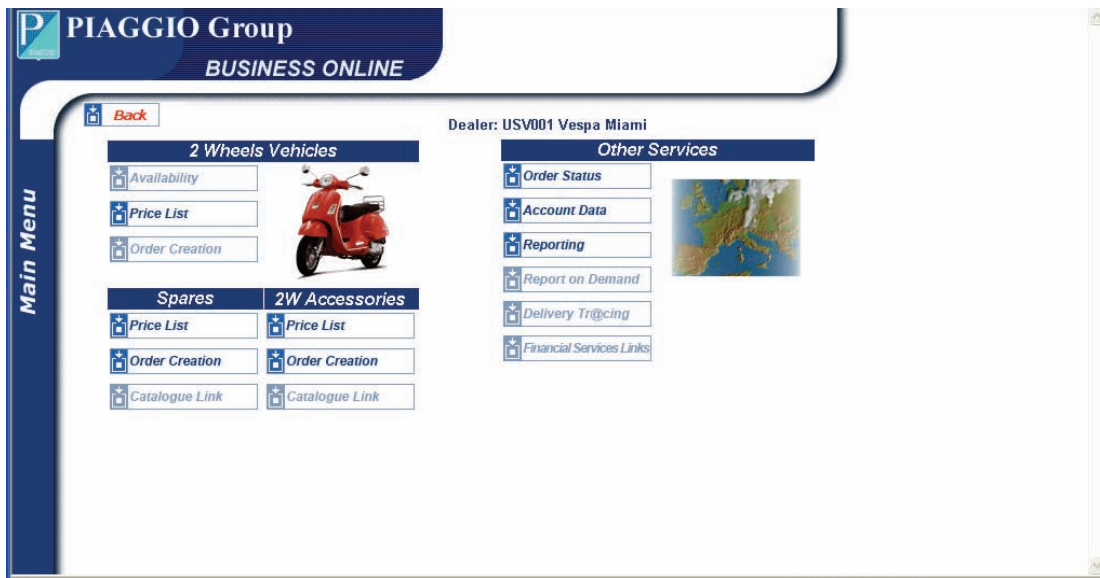

If your connection times out, you will see the following screen:

In this case it is necessary to log back in.

3. Main Menu

The first page allows you to have a fast access to the activity that you want to perform. Greyed out icons indicate actions not activated. If you click on the *Back* button, you will be logged out.

The activated icons allow you to perform four distinct groups of activities:

∞ **2 Wheels Vehicles**

- Price List: Allows you to view vehicle price list

∞ **Spare Parts**

- Price List: Allows you to view spare part price list
- Order Creation: Allows you to submit orders for spare parts

∞ **Accessories 2R**

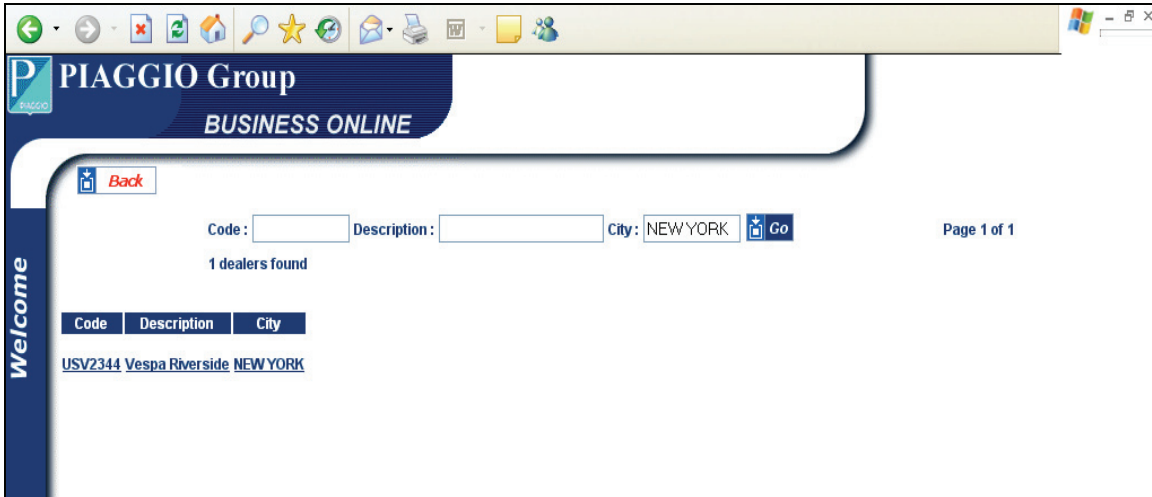

- Price List: Allows you to view accessories price list
- Order Creation: Allows you to submit orders for accessories

∞ **Other Services**

- Order Status: Allows you to view your open order situation.
- Account Data: Allows you to view your open invoices and credit situation.
- Reporting: Visualization of tables and specific data

3.1. *Dealer Search (only for Dealer Groups).*

Right after having inserted all the “log in” information, Dealers who have links to other dealers can search for them in this screen. You can use this functionality to search for dealers that are part of your operations.

4. 2 Wheels Vehicles

4.1. 2 Wheels Price List.

By Clicking on the icon **Price List** it is possible to consult the list of the items that are specific to the dealer.

The screenshot shows the '2 Wheeler Price List' section of the Piaggio Group BUSINESS ONLINE interface. The dealer is 'USV001 Vespa Miami'. The search criteria are as follows:

- Item Code: (empty field)
- Item Code Description: (empty field)
- Type: Liberty 50 (dropdown menu)
- Model: (empty dropdown menu)

Buttons for 'Search' and 'Download' are visible on the right.

In the top part of the page you are able to insert search criteria such as item code, description, and type. Inserting information in these fields allow you to have a more specific list. Then clicking on the icon **“Download”** you can download this list to your local PC.

The screenshot shows the '2 Wheeler Price List' section of the Piaggio Group BUSINESS ONLINE interface. The dealer is 'USV001 VESPA MIAMI'. The search criteria are as follows:

- Item Code: * (empty field)
- Item Code Description: (empty field)
- Type: Liberty 50 (dropdown menu)
- Model: (empty dropdown menu)

Buttons for 'Search' and 'Download' are visible on the right.

5.2. Spare Part Order Entry

5.2.1. Standard Order

PIAGGIO Group BUSINESS ONLINE

Dealer: USV001 VESPA MIAMI

Header Data

Order Type: Spare Parts Order

Purchase order no.: 000001

Ship to: USV001 - Ft. Lauderdale

Searching for:

Item Code: 000061

Item Code Description:

Type:

Max no. of hits: 200

Q.ty	Item Code	Description	Requested Deliv.Date	Price (USD)	Quotation	Delete
50	000061	CIRCLIP	18.02.2006	50,00	<input type="button" value="Go"/>	<input type="button" value="Delete"/>

Annotations:

- Upload icon
- Search by Type
- Max. no. of hits

To enter a Spare part order:

Insert the Header Data

Header data contains general information about the order like the type of order you are inserting, your order reference number and where you would like the order to be shipped.

Search for the items you want to order

You can search by these fields:

- ∞ Item Code (Part number)
- ∞ Description
- ∞ Type(see Price list)

In all cases it is possible to use the partial search with an asterisk (*). If you enter the exact part number/ item code you are looking for, the search will be much quicker.

This field default been set at 200. You can limit it to a smaller number by changing the number in the field; you can increase the limit but please remember that this will extend search time.

It is possible to use multiple search criteria. You can enter information in the field “**Type**”, info in the field “**Item Code**”, and info in the field “**Description**”.

For Example:

Item Code: 0006*

Description: *ring*

The search will first look at all the item that begin with 0006... then inside these items it will search for items that in their description contain the word “ring”.

Add Items to your Shopping Cart

When the search is complete, click on the item that you would like to put in your shopping basket.

Item Code	Description
000061	CIRCLIP

After filling your shopping basket with the items that you would like to order, you may:

- ∞ Modify the quantity and the desired delivery date of each line in the Shopping Basket,
- ∞ View the quotation for each line by clicking on **Go**, and
- ∞ Cancel a line by clicking on the icon **Trash can**.

For the entire order, you may:

- ∞ Click on the icon **Quotation** to obtain the net price and click on **Order** to submit the order to Piaggio Group.
- ∞ Click on the icon **Delete All** to cancel all the lines in the Shopping Basket—this is required when you want to modify the header data.
- ∞ Click on the icon **Update All** which updates the order lines after you have changed quantities or changed delivery dates.

Spare parts and Accessories often have a minimum order quantity. This quantity is entered into the order line automatically when you select the item into your Shopping basket. In the case that you want to modify the quantity please keep in mind that if you insert a quantity smaller than the minimum you will get an error message and the quantity will be automatically updated by the system to the minimum order quantity.

After having clicked on the icon **Quotation** in this screen, it is possible to submit the order to Piaggio Group by clicking on the order button—you will see your order number highlighted in **red**.

5.2.2. Submitting an Order Using a txt File

If you click on the **‘Upload’** button in the Header data section, you can upload a txt order file from your PC. The file can be prepared beforehand and loaded when you want directly onto the Piaggio Group site. This is especially convenient for large orders.

The .txt file must be in the following format:

Purchase quantity

7 characters (with zeros), e.g. qty 10: **0000010**

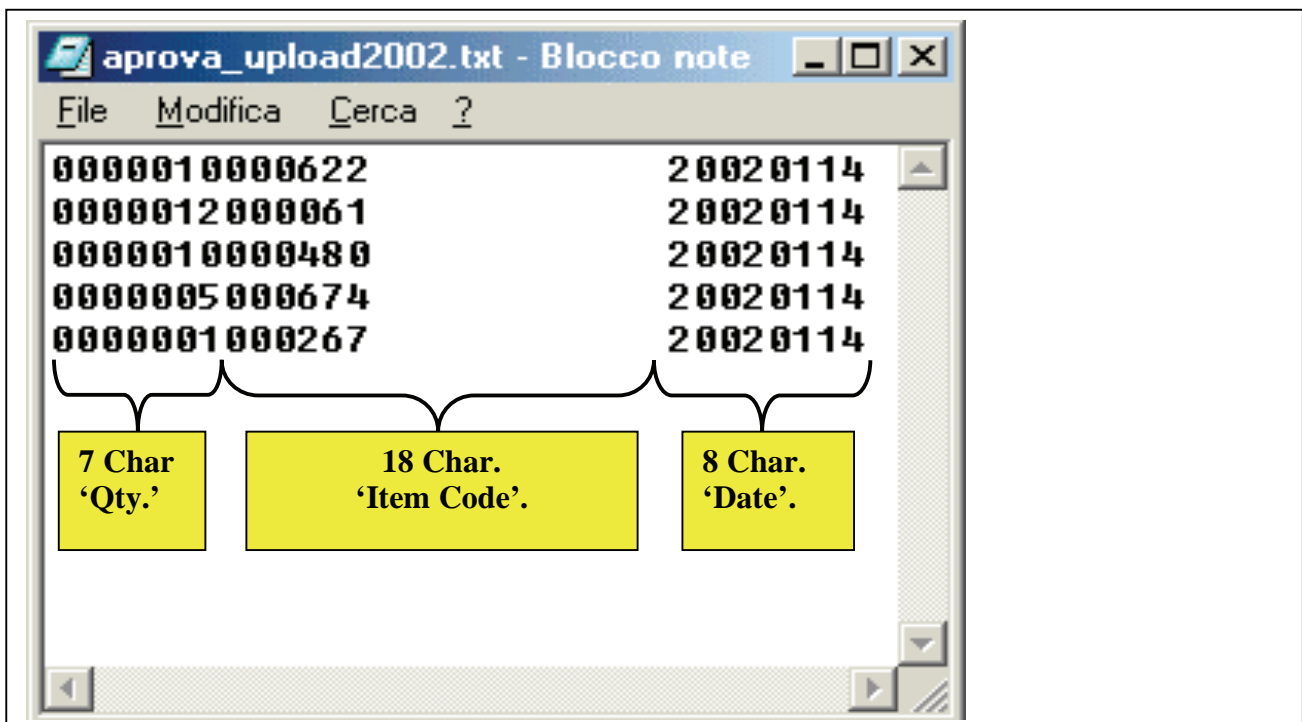

Item Code/Number

Max 18 characters (exactly as it is in the Price list), e.g. **000622**

Requested delivery date

8 characters [YYYYMMDD], e.g. **20020114** (January 14, 2002)

Example of a .txt file for upload:

When you click on the icon **Upload** a field will open on the bottom of your screen where you are able to indicate the Path of your file by either typing it in or browsing for it.

 **Change header**

Searching for:

Item Code :

Item Code Description:

Type:

Max no.of hits:
200

 **Search**

Click on the icon 'Upload'
This field appears

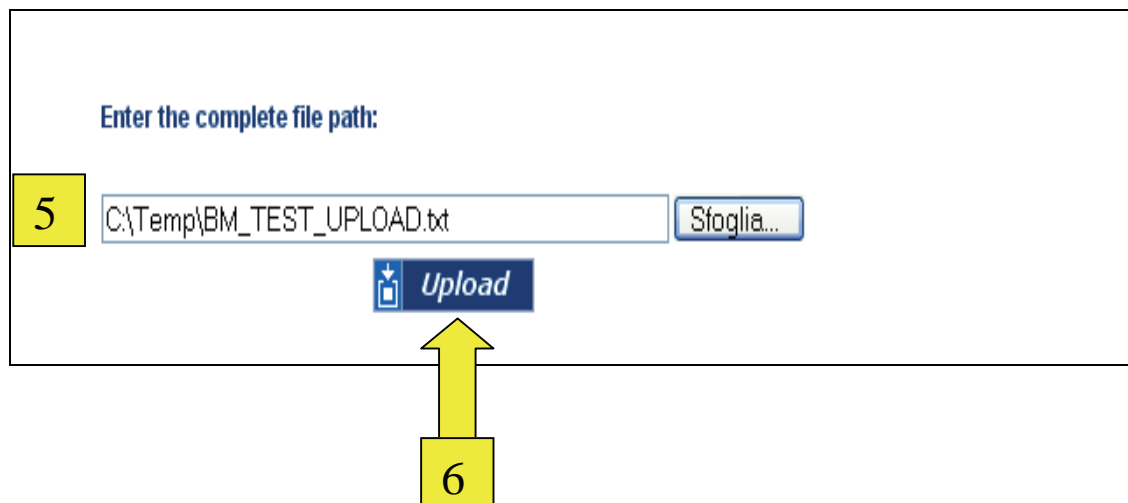

Enter the complete file path:

 **Upload**

Click on **Browse** (1) Opens the usual search window (2) search for your file.

Find the file on your PC (3) select it (4) it gets inserted into the Path field or if you know the path, you can type it directly in the field.

After having entered the path in the field (5) click on the icon **Upload** (6). If the file is formatted correctly, all the items in your file will be loaded into your Shopping Basket. If there are items that are not correct in the file, they will be omitted from the Shopping Basket so please check that your file matches the Shopping Basket.

Once the file is loaded and you have checked it you can continue by first clicking on **Quotation** and then clicking on **Order**.

In the case that the codes in the file were correct but that there exist exceptions such as obsolete item or minimum item qty not met you will get a pop-up error message. You will have to be correct the quantity and remove the inadmissible codes from the Shopping Basket.

Dealer: USV001 VESPA MIAMI

Total price (USD)					80,00	

Examples of errors: file with wrong items

In the case there are errors in the files that you have loaded error warnings will appear.

This line has the wrong date:
13/66/2005

In this line the item does not exist.

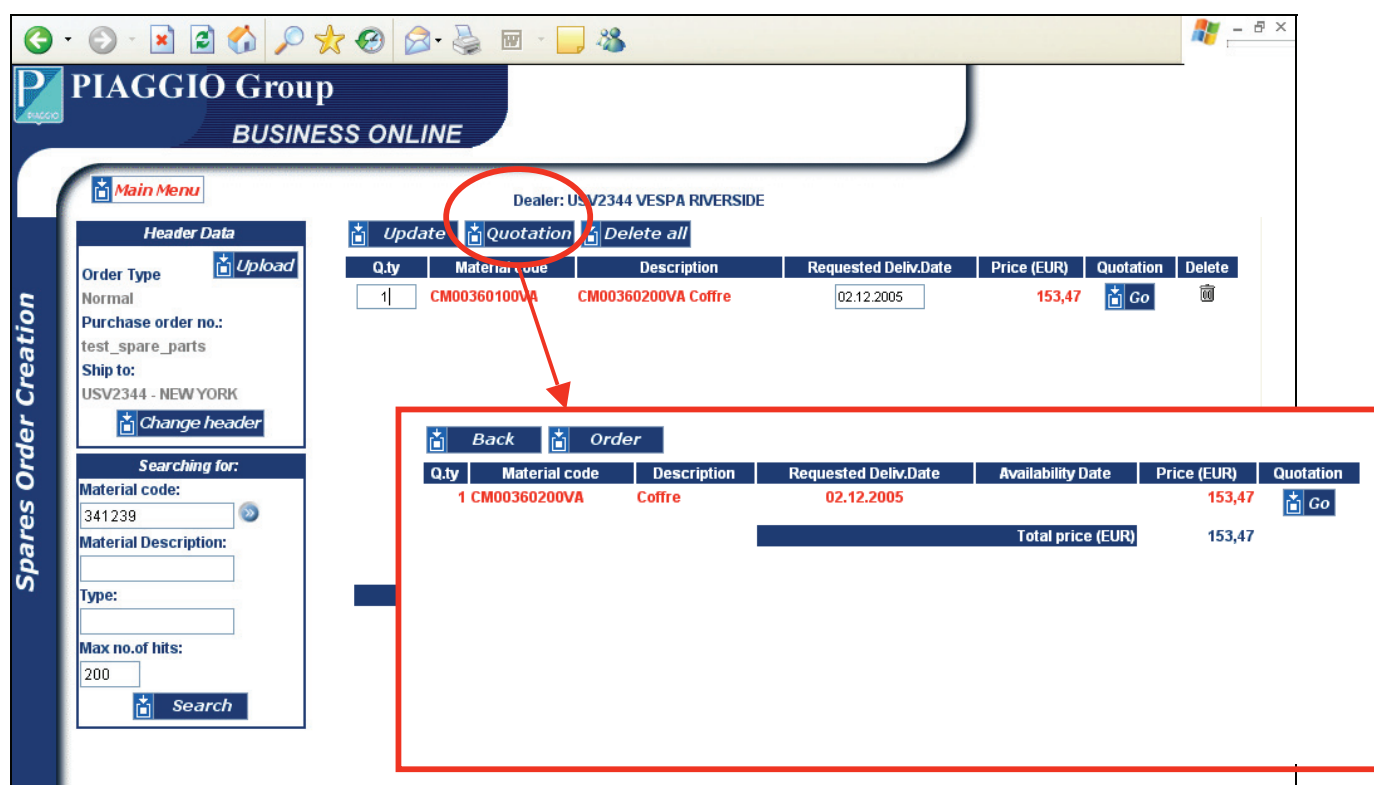

The result of the loading will be the following:

In the Shopping Basket, items that are correct have been loaded and the quantity has been loaded with the minimum order quantity. At this point you can manually modify the quantity if you require a higher quantity.

An obsolete item with an active substitution code (i.e. a superseded item) is visible in **red**.

The obsolete item code is shown under **Item Code** and the substitute item code is shown under **Description**. When you click on the icon **Quotation** the obsolete item is replaced by the substitute item.

In example below the item CM00360100VA has been substituted by CM00360200VA.

The screenshot shows the PIAGGIO Group BUSINESS ONLINE interface. On the left is a sidebar with 'Main Menu' and 'Spares Order Creation'. The main area displays 'Dealer: US V2344 VESPA RIVERSIDE'. Below this is a table with columns: Q.ty, Material code, Description, Requested Deliv.Date, Price (EUR), Quotation, and Delete. The first row shows '1', 'CM00360100VA' (in red), 'CM00360200VA Coffre' (in red), '02.12.2005', '153,47', and a 'Go' icon. A red circle highlights the 'Quotation' icon in the toolbar above the table. A red arrow points from this icon to a second table below. This second table has columns: Q.ty, Material code, Description, Requested Deliv.Date, Availability Date, Price (EUR), and Quotation. The first row shows '1', 'CM00360200VA' (in red), 'Coffre' (in red), '02.12.2005', an empty 'Availability Date' field, '153,47', and a 'Go' icon. A 'Total price (EUR)' row shows '153,47'.

If the requested delivery date is in the past, the requested delivery date will be the date you upload the order.

5.3. *Inserting Accessory orders*

Accessory orders are submitted in the same way as Spare Parts orders. The only difference is that you are able to search by **Vehicle Type**, which allows you to search accessories that are linked to a particular vehicle.

Enter the period you'd like to search as shown below and click on **Go**.

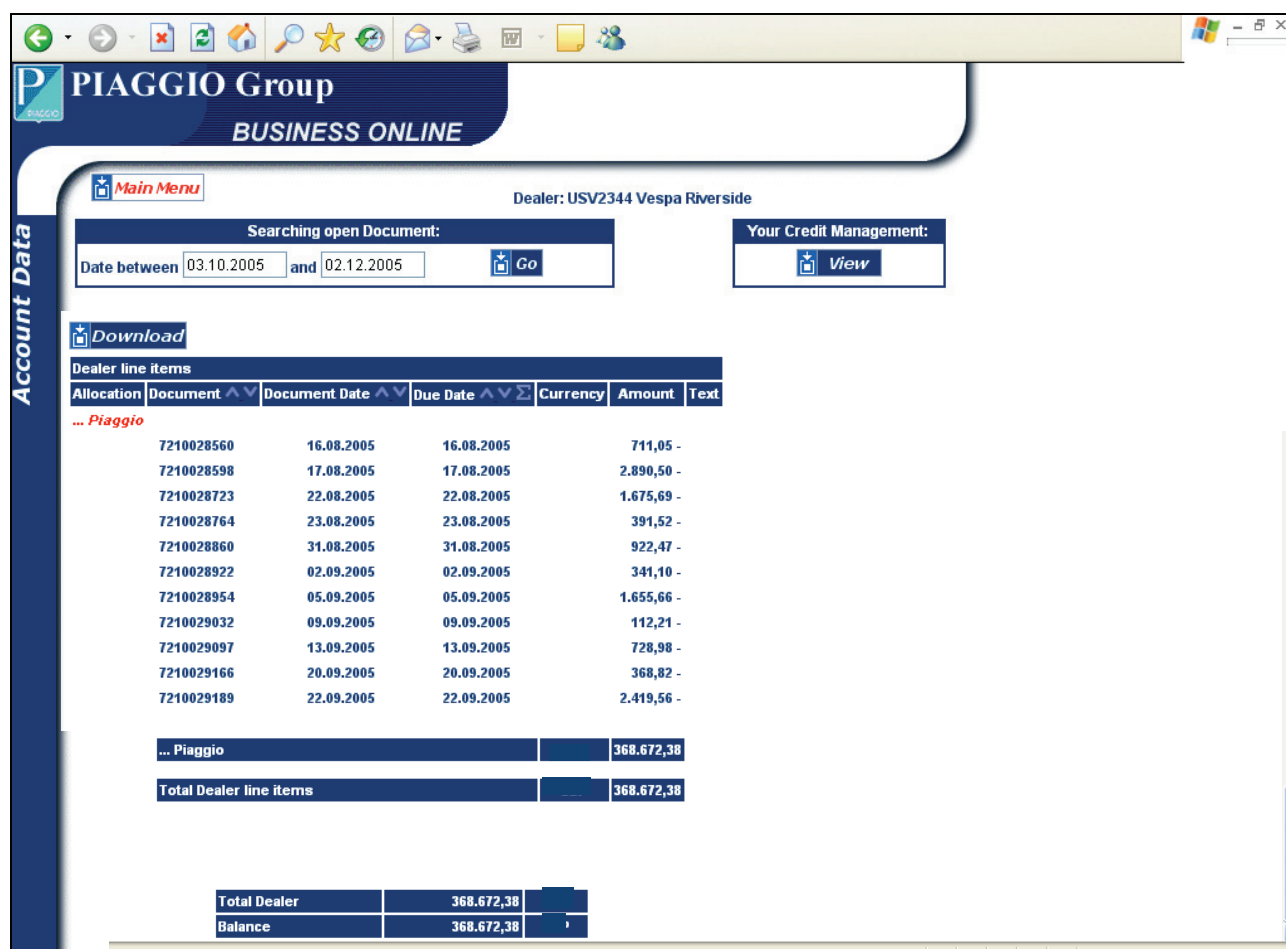

The screenshot shows a web browser window with the Piaggio Group BUSINESS ONLINE interface. The browser's address bar shows a URL starting with 'http://'. The page has a blue header with the Piaggio Group logo and 'BUSINESS ONLINE' text. Below the header, there is a 'Main Menu' button and a 'Dealer: USV2344 Vespa Riverside' label. The main content area is titled 'Account Data' on the left. It features a 'Searching open Document:' section with a date range input field showing 'Date between 01.10.2005 and 30.11.2005' and a 'Go' button. To the right, there is a 'Your Credit Management:' section with a 'View' button. A yellow callout box with an arrow pointing to the date range input field contains the following text:

Insert the period (from... to) for which you would like to see your invoice situation with Piaggio & C. S.p.a. Click on 'Go'

The search will return invoices in period you specified with the following information:

- ∞ Document numbers (present for the period you have requested)
- ∞ Document date
- ∞ Due date
- ∞ Currency
- ∞ Document Amount
